What is SEPAC?

Since 1986, Massachusetts state law requires all public school districts to have a **Special Education Parent Advisory Council (SEPAC)**.

All families with a child on an IEP or with a 504 plan are members of SEPAC.

SEPAC ensures all children have equal access to educational opportunities, and that schools are safe, nurturing, challenging learning environments.

The Westfield SEPAC's mission is to advocate for children with disabilities and their families by participating in the planning, development, and evaluation of special education programs.

SEPAC coordinates monthly meetings to educate and support parents, caregivers, and educators.

SEPAC meetings are the **first Thursday of every month** from **6:30 to 8:30 pm**.

Please join us via **Zoom Meeting ID: 527 108 1333 Passcode: 3uht0R**

Meetings range from workshops to support groups to our annual awards ceremony.
